EXECUTIVE SUMMARY

389 ORANGE AVE, ORLANDO, FL, 32801

APEX Capital Realty is proud to exclusively introduce an unparalleled investment opportunity in the heart of Orlando! Nestled within the vibrant cityscape, this expansive 44,706 square feet of prime land offers a remarkable canvas for ambitious development endeavors. Strategically zoned to accommodate a staggering 400 units per acre, this rare gem presents an exceptional chance to shape the skyline with a visionary residential project.

Orlando, known for its development-friendly environment, provides an ideal backdrop for realizing bold visions and bringing transformative projects to life. The city's supportive policies, streamlined permitting processes, and commitment to fostering growth make it a prime destination for forward-thinking developers.

* Rates represented are averages of asking rates. Rates can vary based on views and floor height, rates do not include move in incentives which are trending depending on the project around 1/2 to 1 month of free rent. Analysis does not include additional charges like pet, parking, etc. Rates as of January 1, 2024. Comps selected include: Buildings built after 2015 with 200 units + with market rate pricing.

CREATIVE VILLAGE

Creative Village is one of the newest districts in downtown Orlando. Uniting Orlando's deep education, technology, and digital media sectors, it is home to UCF Downtown and the Valencia College Downtown Campus, and it will welcome EA Tiburon's new headquarters in 2021.

Creative Village adds learn to the live/work/play mix, delivering an urban innovation district that supports a synergistic and dynamic blend of preschool through higher education, mixed-income residential, student housing, office space and creative studios, retail, restaurants, and park space.

Opportunity is growing on the west side of Orlando's downtown. Creative Village, the transformation of 68-acres of land into a mixed-use Innovation District, provides residents with new paths to education, careers, business, housing and community.

This \$2 billion public-private partnership is a shared vision for our community to ensure that our city's kids have access to quality education in their neighborhood, which can lead to a high-quality job in their neighborhood, which ultimately provides them with the opportunity to raise a family in their neighborhood.

- a place where businesses can expand, with access to a quality workforce and thousands of potential customers right outside their window.
- a place where quality housing for all income levels is a reality.
- a path to ideas, to innovation, to access, to opportunity, and to a shared experience.

LAKE EOLA

As a designated historic district, Lake Eola Heights is one of downtown Orlando's oldest and most architecturally diverse, predominantly residential neighborhoods.

Stroll along the shady, tree-lined streets and you'll see a mix of Craftsman, Mediterranean Revival, Colonial Revival, and frame vernacular residences that blend with Art Deco and traditional homes, as well as established condominiums.

Lake Eola Park is located in the heart of Downtown Orlando, with a sidewalk that circles the lake 0.9 miles in length, making it easy for visitors to keep track of their walking or running distances.

SPORTS ENTERTAINMENT DISTRICT

This exciting mixed-use development project adjacent to Kia Center on 8.43 acres will include several structures, a festival plaza space, approximately 200,000 sq. ft. of office space, 100,000 sq. ft. of retail space, a 250-room luxury hotel with expo center, 300 residential units, 80,000 sq. ft. for event space, and 2,300 integrated smart parking spaces.

An aerial photograph of a city street intersection. The scene is dominated by modern, multi-story buildings with glass facades and concrete structures. A prominent building on the left has a blue-tinted roof. In the center, there is a large, rectangular, vacant lot with dry grass. The streets are paved and feature crosswalks, traffic lights, and some parked cars. The overall atmosphere is that of a bustling urban environment.
