

395 Williams Point Blvd, Cocoa, FL 32927

FOR SALE

EXECUTIVE SUMMARY

Introducing a freestanding ±6,073 SF steel industrial building situated on a ±0.74 acre site in the Cocoa, FL industrial corridor. The property offers a functional single story layout ideal for owner-users, contractors, distribution, or service-based industrial businesses seeking a central Brevard County location.

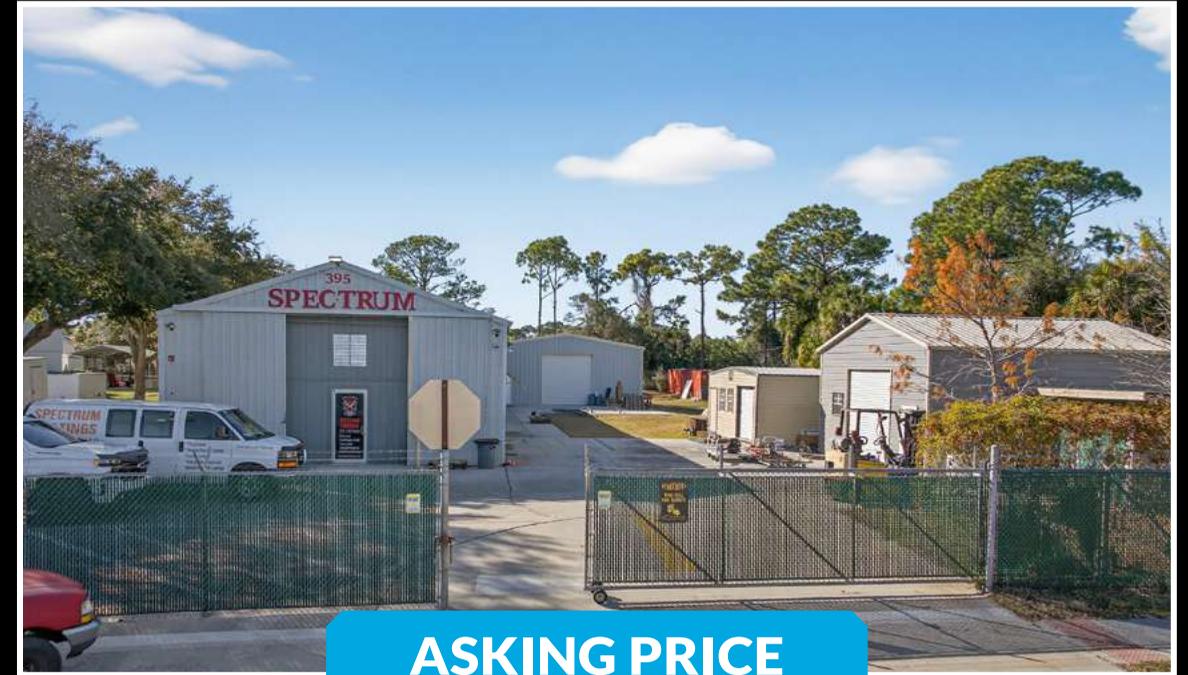

The building's steel construction and oversized site provide flexibility for equipment storage, fleet parking, or expansion potential, making it suitable for a wide range of industrial and trade-related users.

LOCATION OVERVIEW

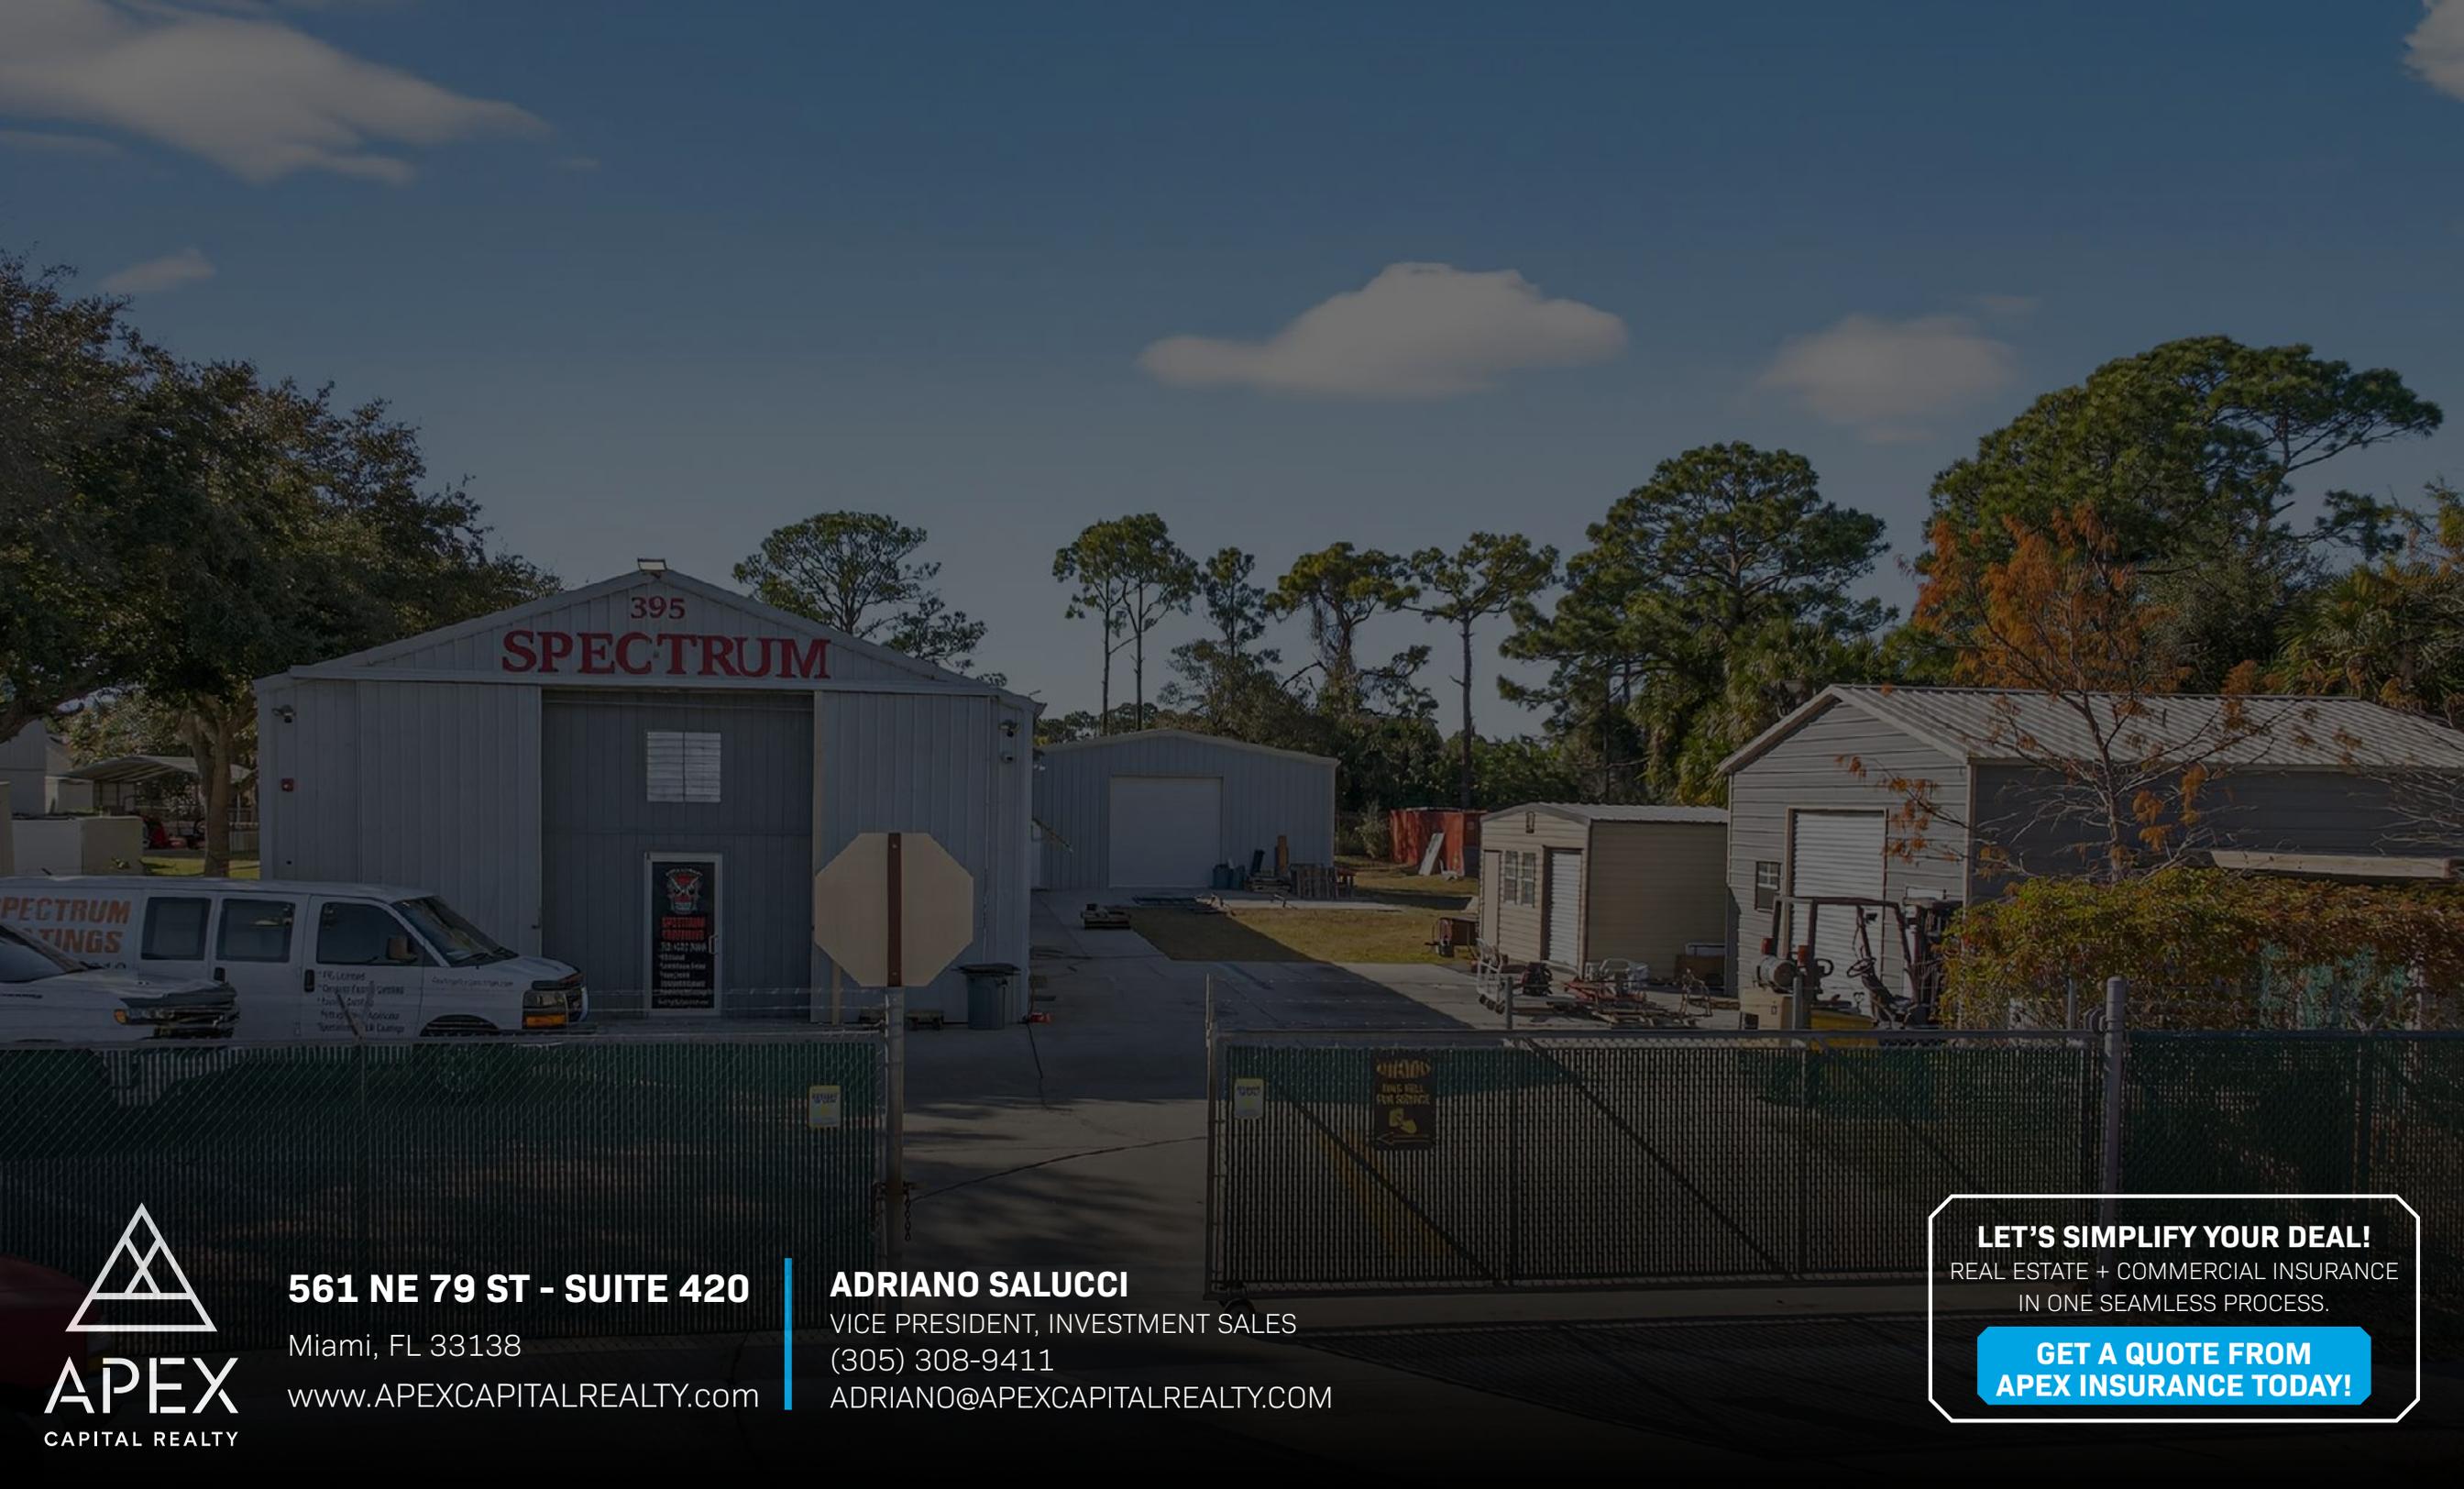

The property is located along Williams Point Blvd in Cocoa within Brevard County's established industrial and service-commercial submarket. The area consists primarily of warehouse, contractor, distribution, and light manufacturing users.

The site offers convenient access to SR-528 (Beachline Expressway), providing direct connectivity to Port Canaveral, Orlando International Airport, and the greater Orlando metro area. The property is also located near US-1 and I-95, offering strong north-south regional access.

This central Space Coast location is attractive to logistics, marine, aerospace, and contractor-type businesses serving Cocoa, Titusville, Merritt Island, and Cape Canaveral.
